

Whatever happened was for good, what's happening,
is for good, And whatever will happen, will also be
good. You need not have any regrets for the past. Do
not worry for the future.

Live in Present

Change is the law of the world. What you think of as death, is indeed life. In a moment you become the owner of millions; in the other instance you become penniless. I - thy, disproportioned, my - yours, erase it from the mind, then everything is yours and you belong to everyone.
